Tiptoe softly
Don't make a sound
Something big is stomping
Look all around

Where's the hungry dinosaur? (Roar)
Where's the hungry dinosaur? (Roar)
Where's the hungry dinosaur? (Roar)
Where did it go?

Is it above you?
Is it behind you?
Is it beside you?

I can see the dino eating
It's a bowl of cereal
I'm so lucky it's now leaving
I can play all day long

Where's the hungry dinosaur? (Roar)
Where's the hungry dinosaur? (Roar)
Where's the hungry dinosaur? (Roar)
Where did it go?

Is it above you?
Is it behind you?
Is it beside you?

Where's the hungry dinosaur? (Roar)
Where's the hungry dinosaur? (Roar)
Where's the hungry dinosaur? (Roar)
Where did it go?
